NEW

Introducing **TRAILPRO**

The new Carlisle® Trail Pro is a lightweight, versatile tire for the recreational and sport rider. The purpose-designed construction makes for better shock absorption and smoother ride under mixed conditions. The non-directional tread pattern provides comfortable cornering, leaving roots and rocks in its track.

Trail Pro™ - Tech Sheet

| Size | Product Code | Ply | Mounted Diameter | Mounted Width | Rim Width | Max Load Capacity @ 5 MPH | Speed Rating | Max PSI | Tire Weight | Tread Depth (32nds) |
|-----------------|--------------|-----|------------------|---------------|-----------|---------------------------|--------------|---------|-------------|---------------------|
| 25x8.00-12 NHS | 6P0165 | 4 | 25.4 | 8 | 6 | 785 | D | 22 | 16 | 19/32 |
| 25x10.00-12 NHS | 6P0164 | 4 | 25.6 | 9.8 | 7.5 | 965 | D | 22 | 20 | 19/32 |
| 26x9.00-12 NHS | 6P0205 | 4 | 26.4 | 8.8 | 7 | 760 | D | 12 | 19 | 19/32 |
| 26x11.00-12 NHS | 6P0206 | 4 | 26.6 | 11.1 | 8 | 995 | D | 14 | 23 | 19/32 |
| 27x9.00-14 NHS | 6P0207 | 6 | 27.2 | 8.9 | 7 | 1170 | F | 32 | 20 | 19/32 |
| 27x11.00-14 NHS | 6P0208 | 6 | 27.4 | 10.5 | 9 | 1480 | F | 34 | 25 | 19/32 |

Trail Pro Tires are Non-Highway Service (NHS) Tires.

FEATURES AND BENEFITS

Dirt Wheels magazine, Feb. 2015 says,

“From hard packed, to mud, sand and rocky terrain, these tires hooked-up just right all the time.”
